Abstract:- It was God's plan for us to visit the birthplace of Sadhu Sunder Singh. So that we can be resurrected in our purpose. The life of Sadhu Sunder Singh is the testimony of his bloody feet. I have written three research papers on him so far. But I went to his birthplace for the first time. It was an unforgettable moment for me. When we went to Sadhu Sunder Singh's vision room, we sang the song 'Phirse woh aag barsa de'. Going there, I started thinking, "The place where Sadhu Sunder Singh sat all night. We were at that place, we were looking at the window where the light came in. The Lord chose Sunder Singh, gave him Vision. Who raised the cross of Christ all over India and outside India. There the Holy Spirit told me one thing “God not only gave Purpose to Sadhu Sunder Singh, but also gave a Purpose along with the Vision.”

The birth place of Sadhu Sunder Singh-a source of spiritual life:-

Today we were standing at the place where India's greatest servant of Jesus Christ was born. Sadhu Sunder Singh was born on September 3, 1889. India's greatest servant was being born on one side, and India on the other. The greatest Christian woman of India, Pandita Ramabai became the savior of women. (In 1889 Pandita Ramabai established the Mukti Mission in Pune). Looking at this place, I felt that the life of Sunder Singh is still speaking with faith. As it is written in Bible, the blood of Abel still speaks with faith.

Things of Sadhu Sundar Singh teach us something:-

The things that Sadhu Sundar Singh used for his life, those things not only give spiritual testimony, but also show the historicity of Sadhu Sundar Singh's life. Sundar Singh was one of the historical great personalities of India, this is true even a historian cannot deny. **The saffron cloth of Sadhu Sundar Singh is the symbol of his savior towards the Indian people.** He wanted from the bottom of his heart that every Indian should accept Lord Jesus Christ as their savior. Sadhu Sundar Singh's things became his helpers even at that time, and today all those things are giving testimony. How Sadhu Sundar Singh used to live his life, Spinning wheel, Earthen Hearth, grater, small flour mill, scales, lantern, cross, clay pitcher.

- **Wooden Cross:-** The life of Sadhu Sundar Singh was nothing without the cross. Carrying the cross of Christ was the main objective of Sadhu Sundar Singh's life. The symbol of the cross is the symbol of carrying the burden with the Lord.

- **Spinning wheel:-** Yarn is made from the spinning wheel, and cloth is made from the yarn. From this we learn that only physical clothes are not necessary for us. But wearing the clothes of salvation is very important for a Christian person. Sadhu Sundar Singh wore the clothes of Christ's salvation, only his color was saffron.

- **Earthen Hearth:-** Fire is lit through wood on the hearth, we sang the song 'Phirse woh aag barsa de'. We need a lot of spiritual fire in our lives. Sunder Singh's life was full of sacred fire.

- **Grater:-** Spices are ground on a grater. Spiritual life is also like this, you have to grind it, only then you will be able to work for the Lord. Sadhu Sunder Singh grinded his life for the lost and forgotten people.

- **Mill:-** Flour is made on the mill and bread is made from flour, Jesus Christ said I am the bread of life. Sadhu Sundar Singh distributed spiritual bread to the people.

- **Scales:-** Scales are considered to be the symbol of justice. The message of salvation is not only found in the evangelism of the righteous sage Sundar Singh. Sundar Singh also used to talk about the justice of the Lord. It is going to happen.

- **Pitcher:-** A few days ago we read about the Samaritan woman who left the pitcher and went to the city to testify about Christ. The pitcher is filled with water. But spiritual water is essential for a Christian. Sadhu Sunder Singh brought Sanjeevan to the whole of India with his spiritual life. Are we a part of this spiritual life?

- **Lantern:-** Jesus Christ said 'I am the light of the world' yes this lantern reminds us that each one of us is the light of the world.

What message do we get in this Tour :-

- You become a seeker of Vision, but along with it ask God for the purpose of your life.
- You have to carry your own cross, what does it mean to carry the cross? You have to carry the glory of the Lord on your shoulders. This is a responsibility, as Sadhu Sunder Singh did.
- You can give up everything in your life, but what does it mean to give up the purpose that God has given you? To resign yourself from the kingdom of God.
- When Sadhu Sunder Singh got a new purpose, he immediately started following that purpose. You also have to do the same, you should not just stand by your purpose, but like Enoch, walk with your purpose.
- Must read the biography of sadhu sunder sing once, God will definitely tell you about your purpose.
- You just think that all the things that sadhu sunder singh have are symbols and sign of spiritual example.
