IIAS SCHOOL OF MANAGEMENT, SILIGURI**

Introduction

"BBA is the most aspiring course available in the market. If you dream, if you have the appetite to learn, if you have the hunger to take challenges in life then BBA course is the best option available. BBA is one of the most sought bachelor degree program after 12th. It includes complete knowledge of leadership and Management. The biggest advantage of studying a BBA course in India is that it permits the students to do specialization in a particular field i.e management.

BBA course facilitates the students an opportunity to acquire professional skills in the early stage of their career. BBA offers a deep understanding and development of different business skills such as leadership, communication skills, decision making and critical thinking. It also provides practical exposure one gets during their internship programs which will be further beneficiary for future growth."

What are the minimum eligibility criteria to enrol for the BBA program?

- After completion of class XII exam from a recognized board or university, one can pursue BBA.
- The minimum age should be at least 17 years old and maximum age 25 years old. Maximum age limit to subject to change depending upon the criteria of different colleges.
- Different colleges have different criteria but generally minimum 50% cut off marks are required for pursuing the course.
- Most of the undergraduate colleges offering BBA course, conduct entrance examination followed by the interviews and group discussion looking for BBA."

Opportunities one can get after completion of BBA

"BBA graduates can be hired for different positions in business management, sales & marketing. Many companies hunt to employ job seekers in different fields like production, finance, marketing and HR. BBA aspirants can also apply for various government agencies.

Some of the esteemed job profiles one can get after a successful completion of BBA are:

- HR Executive
- HR Manager
